## Information

Europacup Inline-Speedskating Wörgl / Tirol

### **Starting numbers:**

Friday, 31st May are available at 12 o'clock at the race-office.

### **Numbers and transponder**

Each participant receives 3 starting numbers. These are on the side of the left and right thigh to wear as well as on the back. Please make sure to wear the transponder on the right or left foot. A deposit of € 50,-- must be paid for it.

### **Registration of all skaters**

In order to adhere to the timetable, each participant of the European Inlinecup or Teamcoach must sign the entry number on the list in the office (Short-/Longdistance). Otherwise we are not able to start with the races.

With that, you agree, that your information mentioned in the registration. All photos, film recordings and interviews on the radio, television, advertising books, photomechanical reproductions and result lists during the event, may be used without restriction and without compensation.

### **Shower facilities for campers**

We cannot offer an official caravan park, but you can use the shower from 7 pm to 9 pm (ladies 7 to 8 pm, men 8 to 9 pm) at the football field.

### **Camping**

Due to the new security and place policy is overnight-camping at speedskatearena not allowed!

### **Instructions**

It is not permitted to place tents on the concrete platform. These would affect the emergency exits.

If the instructions are followed, an easy process of the European Inlinecup is possible. We wish you powerful races!

Thank you!
